💡 Sprint Plan

Sprint Plan

Six two-week sprints (12 weeks) match the 3-month MVP target in the BRD. This is simulated planning: the sprints were not actually executed, and dates are planned dates.

Sprint summary

Sprint	Planned dates	Goal	Points
Sprint 1	9 Nov - 20 Nov 2026	Customers can register with OTP and log in, and restaurants and delivery partners can log in.	11
Sprint 2	23 Nov - 4 Dec 2026	Customers can browse restaurant menus, build a cart and place an order with a delivery address and online payment method.	13
Sprint 3	7 Dec - 18 Dec 2026	Customers can pay with Google Pay or Paytm, retry or cancel after a failed payment, and see a payment-failed message.	13
Sprint 4	21 Dec 2026 - 1 Jan 2027	Restaurants can view incoming paid orders,	14

		accept or reject them within 5 minutes, and update preparation status.	
Sprint 5	4 Jan - 15 Jan 2027	Rejected or timed-out orders are refunded automatically, and delivery partners can accept, pick up and deliver orders.	18
Sprint 6	18 Jan - 29 Jan 2027	Customers can track order status milestones and see an in-app message when an order is rejected.	7
Total			76
